

**Meta Description** - Source Holi Gulal Powder from an Indian manufacturer and supplier for bulk, events, private label, distribution and export requirements and custom packs.

# Holi Gulal Powder Manufacturer & Supplier in India

Holi Gulal Powder is a dry colored powder commonly used for Holi celebrations, color festivals, cultural gatherings, community events and other organized color-based activities. It is available in different colors and packaging options to meet various celebration and commercial requirements.

The Indiana Colors manufactures and supplies [Holi Gulal Powder](#) from India for businesses, event organizers, distributors, resellers and international buyers. Buyers can discuss their required colors, quantities, packaging and intended application based on their specific needs.

## Quick Answer

Holi Gulal Powder is a dry colored powder used for Holi celebrations, festivals, events and other color-based activities. It can be sourced in different colors, quantities and packaging formats. Businesses and bulk buyers can choose the appropriate supply option according to their event, distribution, resale or export requirements.

## What Is Holi Gulal Powder?

Holi Gulal Powder is a fine, dry colored powder traditionally associated with the festival of Holi. It is commonly used during celebrations where people apply or toss colored powder as part of the festivities.

Depending on the requirement, Holi Gulal Powder can be supplied in different colors, quantities and packaging formats. Commercial buyers may source it for events, distribution, retail or other organized activities.

## Where Is Holi Gulal Powder Used?

Holi Gulal Powder can be used for different celebration and commercial purposes, including:

- Holi celebrations
- Color festivals
- Community events
- Cultural programs
- Promotional events
- Organized color-based activities
- Color Run activities
- Retail and distribution requirements

The required quantity and packaging can vary according to the type and scale of the activity.

## What Colors Are Available in Holi Gulal Powder?

Holi Gulal Powder is available in a range of colors to suit different celebration and event requirements. Buyers can select individual colors or combinations depending on their intended use.

Common color requirements may include red, yellow, green, pink, blue, orange and purple, along with other color combinations based on the buyer's requirements.

For bulk orders, buyers can discuss their preferred colors, quantities and packaging requirements with the supplier.

## Holi Gulal Powder for Bulk Supply

Bulk Holi Gulal Powder can be sourced by distributors, wholesalers, resellers, event organizers and businesses with larger quantity requirements.

When sourcing in bulk, buyers may need to consider:

- Required quantity
- Color selection
- Packaging format
- Intended application
- Delivery requirements
- Custom packaging
- Private-label requirements

Discussing these specifications with the supplier can help buyers identify a suitable supply option.

## Holi Gulal Powder for Events

Event organizers may require gulal powder for Holi parties, color festivals, community celebrations, promotional events and other organized activities.

The required quantity can depend on the number of participants, type of event and planned use of the powder. For larger events, buyers can discuss their expected quantity and packaging requirements before placing an order.

## How to Choose Holi Gulal Powder for Commercial Requirements?

Businesses sourcing Holi Gulal Powder should consider the following factors:

### 1. Intended Use

Determine whether the powder is required for Holi celebrations, events, distribution, resale or another commercial activity.

## 2. Required Quantity

Estimate the quantity according to the size and nature of the requirement.

## 3. Color Selection

Choose individual colors or combinations based on the event, customer or distribution requirements.

## 4. Packaging

Select a packaging format suitable for bulk supply, retail, events or distribution.

## 5. Customization

Businesses requiring their own branding can ask about private-label and custom packaging options.

## 6. Supply Requirements

Confirm product specifications, quantities, packaging and delivery requirements before finalizing the order.

# Can Businesses Buy Holi Gulal Powder in Bulk?

Yes, businesses can source Holi Gulal Powder in bulk for different commercial requirements. Bulk buyers may include distributors, wholesalers, resellers, event organizers, promotional agencies and other businesses.

Bulk orders can be discussed according to the required quantity, colors, packaging and intended application.

# Can Holi Gulal Powder Be Supplied Under a Private Label?

Businesses that want to sell Holi Gulal Powder under their own brand may consider private-label supply.

Private-label requirements can involve product quantity, packaging format, branding and other order specifications. Buyers can discuss their requirements with the manufacturer to determine the available options.

# Can Holi Gulal Powder Be Exported from India?

Yes, Holi Gulal Powder can be supplied from India for international commercial requirements. International buyers may source it for Holi celebrations, cultural events, color festivals, distribution and other organized activities.

Export buyers can discuss product requirements, colors, quantities, packaging, private labeling and shipping requirements with the supplier.

## Why Source Holi Gulal Powder from a Manufacturer?

Sourcing directly from a manufacturer can be useful for buyers requiring larger quantities or specific supply options.

Depending on the requirement, manufacturers may support:

- Bulk quantities
- Multiple color options
- Custom packaging
- Private-label requirements
- Distributor and reseller orders
- Event requirements
- Export orders

The available options can depend on the buyer's product and order specifications.
